All About Me....

John Bonilla has been with Doug Bradley trucking for a total of 9 years. John is currently hauling flatbed freight out of the Solomon location. Prior to working for us John was a heavy equipment operator with Shears Construction. John is an all around good guy who is always looking for a good time. John's silly and goofy personality makes him the life of the party. John has traveled all of the lower 48 states and has even been to Canada. When he is not working he enjoys eating out at LaCurva restaurant here in Salina, hanging out with family and friends, riding his Harley, watching Redskins football, exploring nature and going to Amusement parks. If you see John out in his rig, #1207, you can reach him by his CB handle "Trucker John", if he's not jamming out to his "Old country classics" or listening to talk radio. John also enjoys visiting family in Mexico, but his favorite vacation spot is in Vegas and visting Amsterdam is on his "bucket list". John contributes his work ethic to the values instilled in him by his parents and other mentors. John would like to be known for being a "Good guy". We would like to thank John for all his hard work and always being a good friend.

Medical Examiner's Certificate

(for Commercial Driver Medical Certification)

Drivers need to make sure renewed Medical Certificates are forwarded to their State DMV to be entered into the Commercial Driver's License Information System (CDLIS). This process can take up to 10 days, so allow time before your certificate expires to do so. Help or questions call John G.

Idle Times.....

During February the company driver with the least amount of idle time was Don Lee at 7.5% idle time. The company driver with the most idle time was Mike McGlothlin at 49.9% idle time. The fleet average for idle time including Owner/ Operators was 31.12%.

Company drivers <10% Idle time

- 8.6% Ed Maupin
- 9.2% Gene Renz
- 9.7% Terry Bonin

Stan Boyson
Quarterly Training
\$100 Winner!

Bret Walker along with his wife Toni celebrated his 3 million mile driving achievement here in March. Bret reached his 3 million miles the end of January this year. Bret started working for Doug Bradley in August of 1998.

Health Insurance Renewal....

We have received our renewal rates from Blue Cross Blue Shield for the 2019/2020 Plan year and they have gone down. People enrolled in the \$1500 deductible plan will see a slightly bigger decrease this year over the \$5000 deductible plan, although there is still a decrease there as well. Overall we are very happy with this renewal decrease. Please remember if you are wanting to add any members, make any changes or sign up for health ins. you will need to get into contact with Brooke in the Salina Office (800)348-1955 ext. 102. If you do not want to make any changes you do not need to do anything. We have attached the rates for your review.

Condolences to Gary and Wendy VanWinkle on the passing of Gary's mother Helen VanWinkle of Balaton, MN on February 19th. Your family is in our thoughts and prayers.
