All About Me

Ken Brewer has been with Doug Bradley off and on since October of 2006. Ken is originally from Missouri but he has visited all 50 states and 6 other countries in his lifetime. He served in the Navy for 8.5 years. When he is not driving he enjoys riding motorcycles and fishing. He also enjoys watching movies and a couple of his recommendations are, The Closer, Secretariat and Erin Brockovich. Ken says he enjoys driving because he prefers the solitude it provides. When he retires he wants to spend more time with his children and grandchildren. Ken would like to be known for doing his best to be honest, love God and looking after his family. We want to Thank Ken for all his years of service and continued hard work and friendship. Ken, you are a valuable part of our team and we appreciate you.

Condolences to Mark and Vicki Wiegert on the passing of Vicki's mother Linda Hlad on January 18th. You and your family are in our thoughts and prayers.

It's Still Cold!

As a general rule, you need to make sure to put some Howes Fuel Treatment in your fuel whenever the temperature is going to be below 10 degrees. The same goes for reefers. Remember, it's not just about the temperature today. If you are going to be parking your truck for the weekend, you better see what the weather looks like for the day you are going to be leaving out. If it looks bad, treat it ahead of time and save yourself a lot of headaches.

Condolences to LeRoy Busby on the passing of his mother, Joyce Busby on January 5th. You and your family are in our thoughts and prayers.

Just a reminder as we still get a lot of questions regarding this....

For company employees receiving paychecks via email, remember the password to open your paycheck stub is your last name all in CAPS followed by the last 4 digits of your Social Security #. LASTNAME1234. If you have questions or are unable to get in please contact Brooke or Deborah.

Condolences to Curt and Joey Vogt on the passing of Curt's mother, Jeanette Vogt, on January 26th. You and your family are in our thoughts and prayers.
