All About Me.....

Vernon "Shorty" Sanow has been with the Newton branch for more than 19 years and driving for about 40 years. He is originally from Minnesota and enjoys making the trip back home to go ice fishing, hunting and visiting his very large family that includes over 100 first cousins. Shorty is a hard worker, loyal friend and is always there to help if you need him. He has traveled a lot over the years being a driver but says Vermont is his favorite place so far. He loves a good joke and is always making people laugh around the office and believes everyone should know the Heimlich. We are happy to have Shorty as a part of our team and look forward many more years of working with him.

Condolences to Curt and Jody Free on the passing of Curt's mother Shirley Free on 7/5/2021. We wish you and your family peace in the coming days

Condolences to Evan and Annette Wilson on the passing of Evan's mother Mary Jean Wilson on 6/30/2021. We wish you and your family peace in the coming days.

Just a reminder...

Please make sure you are fueling at Pilot and Flying J whenever possible. Sometimes this takes planning. Fueling there is very important because we get a great discount at these places. Thanks

A Reminder from Barkman Honey

I just wanted to make you aware that we have received complaints from the residential neighbors of our North Newton warehouse that trucks have been idling overnight in the parking lot. I'm not sure whose trucks they are, so I'm reaching out to everyone just in case. Please make sure that if your drivers arrive in North Newton in the evening after the warehouse is closed that they go to Newell's truck stop in Newton to wait overnight. They should be going there anyway to get their scale tickets as soon as they arrive. There is a city ordinance in North Newton which prohibits trucks from idling overnight, and residents can and will call the police if they are disturbed.

Health Insurance....

We recently found out that the 4th quarter deductible carryover credits have been applied. If you have any claims that came through that you think are incorrect please contact UHC at the number on the back of your card to have these claims reviewed. If you have any problems do not hesitate to give me a call in the Salina office. Thanks Brooke

\$250

Did you know you get a \$250 bonus for referring a driver to DBTI? And now, if you refer a mechanic to DBTI you will also get a \$250 referral bonus. If you enjoy your job and the people that you work with, spread the word.

Annual Driver Reviews

July is the one time of year we must have every driver come into the office to complete the DOT required annual paperwork. Please check with your office to schedule a time to get in and get your paperwork and training done. As a side note, this is also the time of year that drivers are paid Performance Bonuses and Netradyne Camera Bonuses. Those will be discussed at the same time as the training and paperwork.
