All About Me.....

Justin Richardson started with Doug Bradley Trucking in August of 2021 as a trainee and has completed training and is doing great for us as a driver out of our Abilene, KS terminal. Justin currently resides in Junction City, KS, but is originally from the Blue Springs, MO area. One of Justin's favorite childhood memories is of him riding along with his dad in his cab over Kenworth. Before making the change over to driving truck, Justin was in parts sales. He enjoys the independence of driving his own truck. When he is not driving he enjoys car shows, racing and being the life of the party. He describes himself as dependable, straight forward and loyal. He describes a particular event 3 years ago that tested him, when his wife was diagnosed with congestive heart failure and together they awaited and she received her heart transplant. It's no surprise he lives by "Family first, no matter what". Justin would like to be known for being the guy everyone can depend on. Justin has checked off about 1/2 of the United States, but would really like to someday get to Arizona and would like to someday vacation in Bora Bora. We would like to Thank Justin for all his hard work. We look forward to many more years together.

Way to Go Jason Yoder!
Found another BIRP tag. Way to be checking over your equipment!

Congratulations to Gary and Chris Verhoeff on the birth of their granddaughter Camryn Rose Verhoeff born on February 23rd weighing in at 8lbs. 5oz. and 20in. long.

Way to go Steve Converse!
We recently received kudos from a broker.....
Also, I want to commend your driver on the last shipment for his outstanding cooperation. He was above and beyond courteous, pleasant, helpful and respectful.
Sincerely,
Angelo Gomez

Barkman Scale tickets

Did you know that Newell's in Newton is now a Pilot? Did you know that their scale is now a Cat Scale? Both those things CAN make our lives much easier, but there is a problem..... When we haul loads of honey in for Barkman Honey they make us scale their loads (both loaded and empty). They pay for those scales, but if you use the app, or forget to leave a copy of the receipt at the truck stop, Barkman can not pay for it. So please, if you are scaling a load for Barkman, please do NOT use your app and please DO leave a copy of the receipt at the truck stop for Barkman.

B.A.C.A.

Did you know that Brian Tatro, Owner Operator #47 is a member of B.A.C.A. (Bikers Against Child Abuse)? I'm sure he'd love to tell you more about their group and the poker run they have coming up this summer.

Chocolate

You may already know that Hersey Chocolate is founded and based in Hersey, Pennsylvania, but did you know.... That the street lights in Hersey, PA are shaped like Hersey's Kisses. Or, did you know, that Hersey STILL does not allow outsiders into their factory. The only tours they give are virtual because they are THAT WORRIED that somebody may steal their recipe.

Shop Labor Rate

Effective 4/1/22 our shop labor rate for owner operators will increase from \$90 per hour to \$100 per hour. Also our "Shop Supply Fee" will be increasing to \$15. Finally, any tires removed from Owner Operator trucks will need to be picked up same day unless disposal is requested.

A poster for a B.A.C.A. Benefit Run. It features the B.A.C.A. logo (Bikers Against Child Abuse) and the text "SMOKY HILL CHAPTER Benefit Run SATURDAY JUNE 11TH 9:00AM". Below that is a photo of people on a bike run with the text "No Child Deserves to Live in Fear!". At the bottom, it says "VFW JOIN US AT 1108 W CRAWFORD SALINA, KS" and lists ticket prices: FIRST HAND \$20, ADDITIONAL HANDS \$10, REGISTRATION STARTS 9:00, REGISTRATION ENDS 11:00, FIRST BIKE OUT 9:00, LAST BIKE IN 4:00. The B.A.C.A. logo is at the bottom.
